

Integrated Casino & Gaming Resort Strategy

- Comprehensive operations deck for modern casino resorts and high-roller VIP lounges.
- Overview of luxury table games (Baccarat, Blackjack, Roulette) and electronic gaming machines (Slots).
- Hospitality synergies: Michelin-starred dining, luxury suites, and entertainment residencies.
- Cash flow optimization: High Net Worth (HNW) patron credit lines and anti-money laundering compliance.

Digital Gaming & Casino Loyalty Systems

- Omnichannel rewards combining on-property casino perks with digital gaming points.
- Player Tracking Systems (PTS) for automated comps and real-time floor telemetry.
- Regulatory licensing framework for casino gaming commissions.
